Raise your Worship & Praise Team to the Next Level

Bryon Bos Worship Unite Interactive Worship Conference

Bryon Bos is a Worship Leader/Singer-Songwriter, who spends most of his time in the modern church. He has 20 years experience leading worship and serving in the church - some of the largest churches in America.

His sole desire is to lead people into a genuine, authentic and unique experience with God. He leads by the Spirit and has a true gift of being “all things to all men” no matter what the time or place may be.

He co-wrote and performed the theme song for the hit Lifetime Reality Series “Coming Home” with Season 3 American Idol finalist Matt Rogers. They performed for the NFL, NBA, USO, CF Foundation and many others.

In March 2011, “All Glory”, off Bryon’s hit debut EP “Before You Now”, was featured on Worship Leader magazine’s SongDISCOVERY volume 91 worship CD collection, and, in October 2011, Worship Leader magazine listed “All Glory” as one of the year’s best new songs by a new artist.

He and his wife, Darci, and four children, Madison (22), Audra (21), Jack (10) and Ann (7) live in Corona, CA where he is a pastor on staff at South Hills Church.
