

## REVERENDS JOHN & MELEANA HARKE

Passion Ministries was founded in 1997 by John and Meleana Harke in Hawaii. Together with their two children, Charles and Leilani they began to travel extensively throughout the United States building up the body of Christ. Passion Ministries was started to bring restoration and encouragement to the churches in America. Working together as one they have proclaimed the heart of God to thousands across the United States. Both John and Meleana speak with a powerful prophetic anointing, bringing encouragement and revelation to believers in all denominations. John is a two time author, including his most recent book "How to develop a Prophetic Culture". When John's not traveling, he enjoys spending time with his five grandchildren.

## Aloha & Welcome to our 2019 District Ministers, Spouses & Leaders Retreat!

I am **"NOT ASHAMED"** of the gospel and what God has been doing in these islands through you this last year. A highlight of the year for Sharon and me is the District Ministers Retreat. Why? Because it gives us the opportunity to interact with you in my role as the District Superintendent and a chance to share our desire to see real and lasting relationships and friendships develop within our District family. For this to happen, it's necessary for us to laugh together, cry together, serve together, and worship together. Such togetherness can only happen as we intentionally connect with one another. I am blessed and excited to see what the Holy Spirit will do with us this week as we set aside a few days to renew, refresh & relax.

We are honored to have with us in this year's ministers retreat John & Meleana Harke. Having started their ministry here in Hawaii, John and his wife Meleana are the founders of Passion Ministries, and have been in ministry for over 20 years. When John speaks, he utilizes the prophetic to instill destiny and hope into the body of Christ. He travels nationally and internationally conveying the word of God. His passion is to see revival in the body of Christ and that people across the world would experience the power of God. I am believing that in the next few days you will receive a "fresh word, a fresh revelation" from the Lord and your heart will be challenged to follow the Lord more closely as He directs your path. I believe this is going to be not only a great getaway that everyone needs, but also a time that you truly can be refreshed by the Lord. If we will take a step of faith and get to this retreat, we will be renewed, refreshed and **"NOT ASHAMED"** to share the gospel of Jesus Christ.

**Be a blessing and you will be BLESSED!**
